DRESS CODE: At PWDA, we believe that wearing required class attire and dance shoes will encourage discipline, increase a sense of belonging and school pride, create an identity for our studio in the greater community, and diminish social barriers between students.

Dance is a discipline, a physical sport, and it demands attention and training. We want students to respect their learning environment. If you take swim lessons, you wear a swim suit; if you play a sport, you wear the required safety gear and shoes; if you participate in the martial arts, you wear a uniform. In dance, you wear dance attire appropriate for your discipline: tights, leotard, dance pants, or dance leggings/shorts.

PWDA offers dancewear and dance shoes by **REVOUTION** in our online dance wear boutique, www.shopnimbly.com/pwda.

Students are required to wear appropriate attire for class and have their hair pulled back away from the face, or up in bun.

We will be enforcing our dress code and may ask your dancer to sit out of class if they are not properly dressed or prepared with the correct dance shoes. For the occasional time when dance shoes are misplaced or forgotten, you can borrow shoes from our used dance shoe box . For students enrolled in two or more classes, we offer lockers for storage of dance shoes. Lockers will be assigned, and you must use a keyless lock for security. Please speak to Ms. Kim or Admin to request a locker.
